NORFOLK FIRE-RESCUE

Norfolk Fire-Rescue has submitted their history portion for their 150th Anniversary book to M.T. Publishing Company, Inc. for design! This anniversary album will cover when Norfolk Fire-Rescue became a fully paid professional fire department in 1871 and how public service has continued through various traditions, technology changes and innovations that have evolved to today's fire and pre-hospital medical service. It will also include a personnel section, in which personnel photography is forthcoming and will be scheduled soon. This exceptional book is expected to be out by the summer of 2021.

The 9" x 12" coffee-table edition with a deluxe hardbound cover is available on a pre-sale basis, which means only a limited number of books will be printed. High-gloss, double-coated paper is used for superior photo reproduction of the approximate 140 color pages. The pre-publication price will be \$52.50* for the deluxe standard edition, \$89.00* for the bonded-leather edition and \$99.00* for the executive bonded-leather edition. A downloadable, digital edition is offered at \$9.95* in conjunction with a hardbound purchase. Personalization with name stamping on the cover is available for a nominal \$7.00 charge. You can also save on the shipping cost and pick up your book locally at the Norfolk Fire-Rescue Logistics Warehouse. Name-stamping and the pick up offer is only available for pre-orders. The deadline for pre-ordering is **November 13, 2020**.
